**SPICY**

Last seen 16-Sep-2019 in Grand Forks, BC  
**DESCRIPTION:** Siberian husky Cross; Bi-eyed (one blue eye/one brown eye with a blue spot); Very friendly; Loves people and other dogs  
 Spicy went missing September 16th, 2019 from her home in Grand Forks, BC, assuming it is probably the same person that has taken her again. The first time she was left in a remote area, 35kms away from home by Phoenix Sky Hill and Hwy 3. Luckily, some very kind people brought her to animal control and she was returned to her owner. I doubt whoever is doing this will leave her by Phoenix Sky Hill again but it is possible so she could be anywhere. Please help bring Spicy home! She is missed dearly and we are very concerned for her well-being.

If you know the whereabouts of Spicy or have any information that could help, please contact: Kaitlyn @ 250-584-5443
