Mayor Frank Conrad  
City of Grand Forks

RE: Order to Cease Operations

Dear Mayor Conrad and Council,

The Board of Directors of Whispers of Hope have met to review our lease and the City's directive to cease operations.

Given that Whispers' has not broken the terms of our lease, and given that the City has not given legal notice according to the terms of our lease, Whispers of Hope intends to continue providing services to our community until such time as we receive a court injunction directing otherwise.

We invite the City to work together with Whispers of Hope and other community agencies in addressing the issues of Poverty in its many forms here in Grand Forks.

In the meantime, Whispers of Hope expects the City to honor the terms of our lease.

Respectfully

Louise Heck  
Chair; Whispers of Hope Benevolence Association
