FOR IMMEDIATE DISTRIBUTION

File Number: Kootenay Boundary Regional Detachment School Zone Enforcement from April 3 to 6, 2018

The Kootenay Boundary Regional Detachment consists of the nine amalgamated RCMP detachments (Castlegar, Grand Forks, Kalso, Midway, Nakusp, Nelson, New Denver, Salmo, and Trail) located in the West Kootenay, BC. The Kootenay Boundary Regional Detachment RCMP want to wish everyone a safe and happy 2018 Spring Break with their family and friends. If you are traveling to your destination on our highways, please slow down, buckle up, and stay off your devices.

When spring break ends, the Kootenay Boundary Regional Detachment RCMP will be concentrating on school zone enforcement throughout the West Kootenay from April 3 to 6, 2018. This will help ensure that vehicles travelling through school zones will comply with the lower speed limits in effect from 8:00 a.m. to 5:00 p.m. Monday to Friday on regular school days. In addition, please respect our school buses which will be stopping to pick up and drop off students. It is illegal to pass a school bus in either direction when displaying its stop sign and flashing red lights.

The Kootenay Boundary Regional Detachment RCMP want all of our children to get to school safely for the remainder of the year. We thank the public for their cooperation in keeping our students and roads safe.

Inspector Tim Olmstead, KBRD OIC
